

Dr. Stephanie Cristina, C.Psych.
Clinical & Educational Psychologist

CONFLICT OF INTEREST WAIVER

I, _____, have been informed that Stephanie Cristina, Ph.D., C.Psych., is a part-time employee of the Ottawa Carleton District School Board, and that the OCDSB offers psychological services to students in all of its schools. These services are available free of charge to eligible students.

Conflict of Interest and Confidentiality guidelines have been discussed with me. I hereby acknowledge that I understand the services are available free of charge to eligible students, but have elected to retain the professional services of Dr. Stephanie Cristina. I am also aware that Dr. Cristina will have to recuse herself from any consultation regarding my child, and will not be able to provide services to him/her, should he/she enrol in an OCDSB school where Dr. Cristina is the school psychologist.
